The South Australian Freight Council Inc (SAFC) is partnering with The International Cargo Handling Coordination Association (ICHCA) Australia to host a 'Future Freight : Embracing Change' Conference at the Adelaide Convention Centre on Wednesday 31 October 2018 and Thursday 1 November 2018

The Speaker program for the Conference is coming together quickly with the SA Minister for Transport, Infrastructure and Local Government, the Hon Stephan Knoll, MP agreeing to open the Conference on Day 1, and the Federal Minister for Infrastructure and Transport, the Hon Michael McCormack agreeing to commence proceedings on Day 2 of the event.

Both Ministers will outline their policy directions and commitments that will influence development of the transport and logistics industry both nationally and locally, now and into the future.

A 2-hour cocktail and networking event will be held at the end of Day 1 (5:00pm – 7:00pm).
