

MCC Marine Company Profile

The guarantee of excellent service

MCC Marine Pty Ltd is a specialist marine surveying and insurance company staffed by experienced and pragmatic Marine Surveyors.

We've been in business since 1991 providing shipping expertise for Australian and International companies.

We specialise in the 'coal face' – operational areas of shipping and marine insurance – when you want the job done quickly and effectively.

Clear and concise reporting is provided in a timely fashion.

What we can do for you

We can look after your requirements for:

- Cargo superintendence
- Quality/Weight Control
- Damage Assessment
- Vessel Condition Surveys
- Marine & General Insurance
- Lashing Surveys
- Vessel Planning
- Small Boat Surveys

The experts in marine surveys

Our technical team include **Peter Murday** and **Robert Woodfield** and three other marine surveyors - all qualified as Master Mariners and all have had extensive experience in all areas of marine surveying and vessel operations.

Our team also includes three cargo surveyors, contract surveyors and admin staff who all work to ensure your experience with MCC Marine is a satisfying one.

Our systems have been ISO9001:2008 certified and all our surveyors are members of the Australasian Institute of Marine Surveyors

Where we operate

We go anywhere anytime to ensure our clients' needs are met.

Our team has many years of shipping experience and we have an extensive network of contacts throughout the world.
