

# STRANG-TRADEX GROUP

*Project Freight Forwarding*

*Supply Line Logistics*

*Advisory Services*

*Port & Terminal Management*

Since 1926 STRANG has been creating, developing and operating “world-leading”, dedicated logistic structures for clients who desire long-term relationships based on trust and performance excellence.

We drive continuous improvement and innovation across our Group to ensure that we consistently exceed our clients’ performance expectations.

*An example of our innovation was recognised by Papua New Guinea Chamber of Mines & Petroleum which rated the Strang Global Logistics Management System “Best in Class”. It was also recognised by Lloyd’s List, winning their E-commerce Award.*

***Australia, New Zealand, Papua New Guinea, South Africa, Mozambique, Madagascar & throughout the Globe***
