

Darren Fursman

Trade Development Manager, North Queensland Bulk Ports

Director, ICHCA Australia

Ambassador, Zig Zag Foundation

Darren Fursman is a passionate logistics professional with over 30 years' experience across multiple facets of the supply chain.

His career has included ships agency, shipping, stevedoring, line haul transport, cold / ambient & chemical warehousing, project freight forwarding, heavy haulage, and most recently trade development for NQBP.

Darren holds a post graduate degree in International Business from QUT.

He is also a proud ambassador for the Zig Zag Foundation, a children's charity that supports sick, under-privileged and at-risk Australian children with equipment & services.
