

Nigel Edwards

Director, Dotcom Logistics Pty Ltd

Director, ICHCA Australia

Nigel's career in the supply chain sector spans three decades, including the last two as Director of Dotcom Logistics Pty Ltd.

Nigel is a trusted member of executive leadership teams, having worked for several of Australia's 200 ASX companies on a range of strategy and supply chain transformations across manufacturing, logistics, and supply chain operations. Over this time, he has been active in numerous industry associations and mentoring programs, and hence is pleased to be able to contribute to ICHCA Australia as a Director.

As a recognised thought leader in his field, Nigel is often called upon by media, universities, and industry bodies as a key speaker/lecturer and contributor. In 2024 Nigel is a judge for both the Australian and Singapore Supply Chain Awards.

Nigel has a Bachelor of Applied Science (Chemistry) and a post-graduate qualification in Manufacturing and Operations Management.

Outside of work, Nigel is involved in the Arts, including as a board member, set builder, and philanthropic contributor.
