

Peter van Duyn

Maritime Logistics Expert, Centre for Supply Chain and Logistics,
Deakin University

Company Secretary and Deputy Chair, ICHCA Australia

Peter is a Maritime Logistics Expert at the Centre for Supply Chain and Logistics at Deakin University in Melbourne and runs his own logistics consulting business.

Peter has project managed a number of logistics chain studies for port authorities in Australia and conducted extensive research in the maritime logistics field. He has written a number of articles on port privatisation, stevedoring operations, port planning, and provided commentary in the media.

Peter was General Manager, Patrick Container Terminals from 2007 to 2009, responsible for the four main container terminals in Australia with a workforce of over 1300 employees and revenue of \$500 million p.a.

From 1989 till 2007 Peter held various senior operational management roles across the container terminals division within Patrick and its predecessors.

Peter is a Master Mariner and migrated to Australia in 1983 after a successful career with the Dutch merchant navy and the Port of Rotterdam.

Peter is a board member of MiCare Ltd, an aged care provider in Victoria, and is active in the Dutch community in Victoria.

Peter worked in Port Moresby as a voluntary advisor for the PNG Ports Corporation which was facilitated by Australian Business Volunteers. He sailed around Cape Horn on the tall ship Europa in December 2015.
